

K487F

990004-P

HF/SSB connection box for coaxial cable. Tx/Rx

Fits KUM8XX and KUM9XX antennas.

This K483F connection box is for KUM8XX and KUM9XX. It is used to connect coaxial cables for both transmission and reception applications. This box is manufactured in premium quality materials in order to prevent galvanic corrosion. The box is always subject for improvement. The box has the same rugged design as all other AC Antennas products thus it withstands harsh environmental conditions, both on Sea and Land.
